

## What are COVID-19 reports telling us about women's voices?

Research reports are telling us vital information on how COVID-19 is impacting our communities and the economy, and offer up expert-based recommendations on what needs to change to truly build back better - now is the time to listen.

Here's what the experts are calling for to make sure women's voices are heard...

### **ASK: Bring Women to the decision-making table**

**1**

#### **Recommendation 1:**

Ensure all support schemes & funding are designed to sufficiently support women

**2**

#### **Recommendation 2:**

Create policies to ensure women are supported to run businesses, access funding & gain support
